About the RKDF University:

RKDF University is a leading Educational institution based in Central India. The University has established itself as a high quality education provider with prime focus on holistic learning and imbuing competitive abilities in students. RKDF University, Bhopal was established in the year 2011 by an Act of Govt. of Madhya Pradesh and recognized with UGC under 2(f) of 1956. RKDF University is one of the fastest growing universities of central India with over 40,000 students and 1,500 faculties, offering a wide range of undergraduate, postgraduate and doctoral programme in Engineering and Technology, Pharmaceutical Sciences, Management, Computer Science, Education, medical & paramedical, Health sciences, Science, Arts, Commerce, Humanities & Languages, Architecture, Homoeopathy, Nursing and Law. RKDF University strives to ensure that students' education is multidimensional and we have adhered to a multidisciplinary approach. It has an excellent ambience and distinctly hospitable environment for higher learning in various subjects. The University facilitates interaction with national and foreign institutions to broaden the knowledge and skill of students. Flexibility in choice of courses, periodical revisions of courses, interdisciplinary and integrated courses as per the national and global requirement are the emerging issues that University envisaged to introduce in future. The petals leading towards a star is an embodiment of the University's cherished mission to provide education beyond boundaries and to facilitate the students and faculty to achieve pinnacles of success throughout the world!

Programme Overview:

The National Education Policy of India 2020 (NEP 2020), which was approved by the Union Cabinet of India on 29 July 2020, outlines the vision of new education system of India. The new policy replaces the previous National Policy on Education, 1986. The aim of this FDP is to bring together all the faculty members education introduced by the National Education Policy (NEP). This FDP will offer a forum for faculty staff to develop perspective and techniques that will help them to adapt the new curricula structure, to upgrade professional development and explore new realms of research and innovation.

Programme Objective:

- To inculcate leadership skills and excellence for effective implementation of NEP
- To generate awareness among educationist, academicians and researchers regarding research and innovation in NEP
- To discuss the challenges ahead in Implementation of NEP at all levels of education
- To understand the assessment and evaluations trends in NEP

Broad Themes of the Programme:

- NEP 2020 with focus on Research and Innovation
- NEP: Transforming Teaching education
- Transformation in Indian education through NEP: Challenges and opportunities
- Innovative trends in Assessment and evaluation in Blended learning mode (Teaching learning process)
- ICT Tools (Learning Management system)
- New avenues and role of faculty in effective implementation of NEP in Management education
- ABC implementation methodology: new paradigms
- Accreditation, Ranking and Quality in Higher education
- Strategies for reform in Universities and departments (NAAC, NIRE, IQAC)

Programme Outcome:

- The faculty will be enriched with the knowledge of NEP 2020 and able to implement NEP in their institutions effectively
- Participants will enhance their knowledge about implementation of NEP
- Participants will acquire leadership skills for effective implementation of NEP
